2021 RESULTS OF PRE-CONVENTION RESOLUTION BALLOTING

The pre-convention resolution balloting process is a means to limit debate on the floor of the convention on resolutions for which the membership has strong agreement for or against. The following apply:

- If 66 percent of all supervisors whose ballots are received vote to APPROVE a resolution, the resolution will be deemed as moved and seconded for adoption at the annual meeting.
- If 66 percent of all supervisors whose ballots are received vote to DISAPPROVE a resolution, it will automatically be rejected, with no further action at the annual meeting.
- If 34% of all supervisors whose ballots are received vote to BRING THE RESOLUTION TO THE CONVENTION FLOOR FOR FURTHER DISCUSSION OR AMENDMENT, it will be brought to the MASWCD annual meeting for further action. This provision overrides the first two, in the event this condition and one of the above conditions are both met.

A total of 368 supervisors participated in 2021 pre-convention balloting.

BARB'S BOARD REPORT

December 2021

Financial:

- There was a lot of follow-ups from the last board meeting, mainly spending money. I paid the following contracts:
 - Steve Olson, Tim Hruby, Mishawn Homme, Kjell Johnsrud, Jason Potucek, Kevin Wilde and Tom Harlow for State Cost-Share well sealing.
 - Lynn Hammer, Buffer Cost-share, and Clyde Sorenson and Ev Ault for State Cost-share pipes.
 - o Pennington County for RLR 1W1P pipes, JD25.
 - Letters were prepared for Peter's signature, and payments were recorded in our logs.
- Bills were paid as approved at the board meeting.
- I entered the audited 2020 financial information into the Dashboard template that keeps a summary of expenditures and revenues for each year. It also calculates how long the district could survive on their Fund Balance if all funding sources were cut off. Ours came out at 9.6 months, which is an acceptable number.
