Facebook: Pennington Soil & Water Conservation District

New for 2026: Orders MUST be placed online, in person, or via phone. No mail-in orders will be accepted!

*Cash, check, and debit/credit card payments are accepted. **Cash payments must be exact! No change will be given.**

*There will be a 3% service fee charged to the customer when a credit card is used.

*Full payment is due at time of order.

*6.875% tax will be added to all orders.

*Orders are first come, first served. Some species go fast. Order early for best selection!

Pennington SWCD agrees to furnish said nursery stock to purchaser as only a local distributor to landowners. We express or imply no warranty or guarantee of productiveness or survival of the nursery stock we furnish and make no provisions for replacement. We reserve the right to substitute species and sizes if the species or size listed are not available from the nursery. Pennington SWCD has the right to cancel orders due to availability. Once our supply of trees is depleted, we cannot obtain any additional trees.

All trees and shrubs are sold in **bundles of 25** (except potted spruce and pollinator/wildlife bundle)

Average tree size: 18 - 24 inches
